Thank you

May 2nd completed my 12th year as the Town Manager of Lake Clarke Shores. Thank you for the opportunity to serve this community. Our community is unique and we leverage every opportunity (relationships, finances, knowledge, and volunteers) to grow and be the best we can be. I'm proud of what I was able to do for the residents of the Town and I'm grateful to the Town Council for their support.

New Manager

Mr. Joe Lo Bello takes over as the new Town Manager during the May 9th Town Council Meeting. I have known Mr. Lo Bello for more than 20 years and believe he is the best person to be the next Town Manager. I applaud the Town Council for their foresight in selecting him. His personality and management style will match well with the Town Council and the staff.

FY 2024 Budget Preparation

The July 11, 2023 Budget Workshop will be the first time the FY 2024 Budget is discussed. Staff are preparing the budget now. If you have any specifics you wish to discuss with the Manager prior to budget preparation, please make an appointment with Joe sooner rather than later.

Traffic and Calming Study

There will be a meeting next week with the engineering firm of Simons and White and Town staff on traffic calming, speed tables and other traffic related issues.
